Count and write the numbers

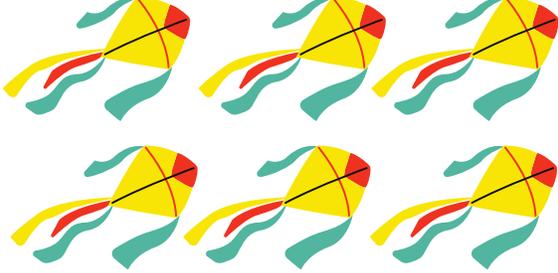

Count and write the numbers

Seven green airplanes with yellow wings and blue propellers are flying in a group. Below the airplanes is a white square box for writing the number.

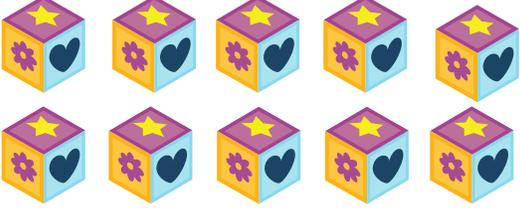

Six yellow kites with red and blue tails are flying in a group. Below the kites is a white square box for writing the number.

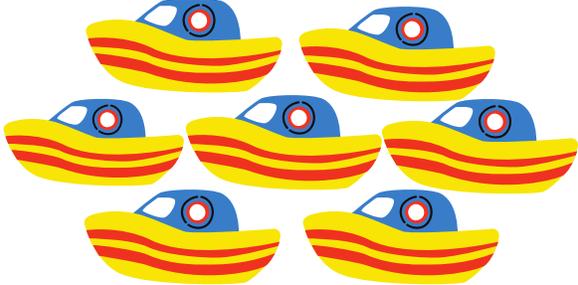

Five yellow tricycles with red seats and blue wheels are arranged in two rows. Below the tricycles is a white square box for writing the number.

Nine colorful stacking toys, each consisting of a red base, a blue ring with white dots, a green ring, and a red top, are arranged in two rows. Below the toys is a white square box for writing the number.

Ten colorful dice with different faces (stars, hearts, and flowers) are arranged in two rows of five. Below the dice is a white square box for writing the number.

Six colorful boats with blue hulls and yellow and red stripes are arranged in three rows. Below the boats is a white square box for writing the number.

Count the animals in each box and mark the correct number

Two tigers are shown, each holding a party popper. The tigers are orange with black stripes and are smiling. The party poppers are blue and yellow striped.

4 3 2 1

Four mice are shown, each wearing a red and white striped circus outfit and a red Santa hat. They are holding colorful streamers and stars.

2 4 6 5

Five ducks are shown, each wearing a green party hat and holding a small gift box. They are surrounded by colorful confetti.

7 5 4 6

A blue koala is shown holding a large, colorful party popper. The popper is purple, yellow, and red striped, and it is exploding with colorful streamers.
